PROFESSIONAL SUMMARY

Aspiring Data Analyst with hands-on experience in Python, SQL, Excel, Power BI, HTML, CSS, JavaScript, and React.js. Passionate about data analysis, dashboard development, and building responsive web applications. Strong problem-solving abilities with practical experience gained through academic projects and internship.

EDUCATION

United University

Bachelor of Computer Applications (BCA) – CGPA: 7.48/10

Sep 2024 – Present

Shivaji Intermediate College

12th (PCB) –

Apr 2021 – Apr 2022

TECHNICAL SKILLS

Programming Languages: Python, SQL, JavaScript

Web Technologies: HTML5, CSS3, React.js, Tailwind CSS

Data Analytics: Excel, Power BI, Pandas, NumPy, Matplotlib, Seaborn, Airtable, Google sheet

Developer Tools: Git, GitHub, VS Code, Visual Studio, IntelliJ IDEA,

SOFT SKILLS

Communication

Problem Solving

Team Collaboration

Time Management

Adaptability

PROJECTS

Portfolio Website | HTML, CSS, JavaScript

- Developed a responsive personal portfolio website to showcase technical skills, education, certifications, and projects.
- Designed reusable UI components and optimized website performance to deliver an improved user experience across different devices.

Online Food Delivery System | React.js, HTML5, CSS3, Tailwind CSS, JavaScript

- Developed a responsive online food delivery application with secure user authentication, dynamic menu browsing, shopping cart, and order placement.
- Implemented real-time order management and an intuitive user interface to enhance user experience and application performance.

Ola Ride Data Analysis | Python, SQL, Excel, Power BI, Pandas, NumPy, Matplotlib

- Analyzed the Ola ride dataset by performing data cleaning, preprocessing, and Exploratory Data Analysis (EDA) to identify trends, anomalies, and business insights.
- Executed SQL queries to analyze ride patterns, booking status, cancellations, revenue, customer ratings, and driver performance across multiple dimensions.
- Built interactive Power BI dashboards with KPIs, charts, and filters to visualize booking trends, ride success rates, revenue distribution, and customer behavior.

INTERNSHIP

Prodesk IT Engineering Services

June 2025 – July 2025

Web Developer Intern

Noida, Uttar Pradesh

- Developed responsive web pages using HTML, CSS, and JavaScript while ensuring cross-browser compatibility.
- Collaborated with senior developers to build user-friendly interfaces, debug applications, and improve website performance.
- Applied front-end development best practices while working on real-world client projects.

Skill Quark

1st July 2026 – 31st July 2026

Data Analyst Intern

Remote

- Collected, cleaned, and analyzed datasets using Microsoft Excel, SQL, and Python to identify trends and improve data accuracy.
- Created interactive dashboards and visualizations in Power BI to present key business insights and support data-driven decision-making.
- Performed Exploratory Data Analysis (EDA) using Pandas, NumPy, and Matplotlib to uncover patterns and generate actionable reports.

CERTIFICATIONS

- Microsoft Data Analyst Certification
- Python Programming
- Backend Development and REST APIs
- Frontend Development
- Virtual Labs Certification – IIT Delhi

LANGUAGES

- English (Professional Working Proficiency)
- Hindi (Native Proficiency)
